

WYSA VOLUNTEER AGREEMENT

The purpose of this agreement is to improve awareness of the need for volunteers in order for WYSA to operate effectively. We desire to see all of our families involved in making our program the most cost-effective as possible. Families are required to work 10 hours (approx. 4 volunteer shifts) for each child/player that is registered in the competitive program. Shifts can be completed for a player by up to four different volunteers. Please contact our Volunteer Coordinator at volunteer@watertownsoccer.com if you need to seek approval for additional volunteers.

It is the responsibility of each family to be sure they have worked the correct number of shifts/hours needed to fulfill their requirements. Volunteers must legibly sign-in for their shift and be sure to write their player's full name on the sign-in sheets so we know which family to credit.

Every family is required to complete and submit the attached Volunteer Agreement form and submit a post-dated check (July 15th of the following year) for \$250 for each player. If the check is not post-dated, we will ask you for a new check. This form and your post-dated check should be given to your team manager. Team managers will document receipt of these for each player, and then submit all completed forms and deposit checks to the WYSA Volunteer Coordinator. **Your player will not be rostered or be able to play in any tournaments until this signed agreement and volunteer check have been received.**

After July 15th of the following year, all shifts/hours worked will be tallied and checks from families not meeting their required commitments will be cashed. The WYSA treasurer will provide an account credit or refund valued at \$25 for each volunteer hour that was completed.

The following is a list of some volunteer positions and their value. The time frame to complete the required volunteer shifts/hours is from August 1st through July 15th. Extra shifts/hours while appreciated, will not be carried over to the next playing season. **Volunteer shifts must be completed by those listed on this agreement and they must be 18 years or older. We will allow players 14 years and older to fulfill a volunteer shift ONLY if they are accompanied by a parent/guardian who is also serving during that same time frame.**

2023-2024 WYSA Volunteer Contract

I have received a copy of the WYSA Volunteer Agreement, and I agree to work the required number of hours based on the player(s) registered from my family. Along with this signed Volunteer Contract, I am submitting a post-dated check for \$250 per player. I understand that my player(s) will not be added to the team roster until this agreement and a post-dated check have been submitted. I understand that all WYSA families are required to complete 10 volunteer hours for each registered player regardless of the number of tournaments attended or seasons played. This includes high school players. Any exceptions or appeals must be approved by the WYSA Executive Board.

Please list each competitive player in your family and their team/age division:
